ADVENTURE-FANATIC AXEL

Adventure-Fanatic Axel loves the outdoors. Not only does he love the outdoors, he loves the extreme. He is often by his humans side on those technical trail runs, adventurous mountain climbs, or evening runs to wind down the day.

Adventure-Fanatic Axel has endurance in abundance. He needs super premium, light and comfortable gear that gives him a free range of movement to get on with his exploring unbothered.

The best AirTech Gear for Adventure-Fanatic Axel:

- Sports Harness
- Sport Belt & Lead
- Ultra Lite Lead
- Classic Collar

NATURE-LOVING NOX

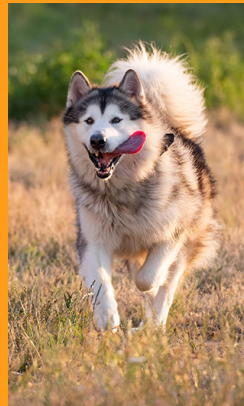

Nature-Loving Nox is an energetic dog who loves to be by his humans side 24/7. He enjoys a good run or walk on the beach or in the forest.

Nature-Loving Nox is all about quality-time. He loves to hop in the car and join his human when they head out shopping or to grab a coffee.

A quick to fit harness is essential for Nature-Loving Nox, and gear with shock absorbing webbing is a must to make sure his human doesn't feel the strain of him being by his side all day.

The best AirTech Gear for Nature-Loving Nox:

- Sports Harness
- Sport Belt & Lead
- Classic Collar

BRIGHT-EYED BENJI

Bright-Eyed Benji is part of the family. He loves playing indoors with the kids and enjoys spending his outdoor time on walks or runs around the park.

Being in a busy family environment means Bright-Eyed Benji needs a quick fitting harness that can be clipped on with minimal fuss. He needs light, comfortable gear, and his human would love gear that matches their own in material and quality.

The best AirTech Gear for Bright-Eyed Benji:

- Sports Harness
- Classic Lead
- Multi Lead
